PROFESSIONAL SUMMARY

Information Technology professional majoring in Technopreneurship, with hands-on project experience across web, mobile, and desktop application development. Familiar with Python, Java, JavaScript, PHP, Kotlin, databases, application frameworks, and software testing. Interested in turning manual processes into practical digital tools through thoughtful design, problem-solving, and continuous learning.

TECHNICAL SKILLS

Programming	Python, Java, JavaScript, C#, PHP, Kotlin
Web & Application Development	HTML, CSS, Flask, Laravel, PySide6, Jetpack Compose, Streamlit
Databases	MySQL, MariaDB, SQLite
Tools & Practices	Git, GitHub, VS Code, Android Studio, HeidiSQL, REST APIs, responsive UI, testing

PROJECT EXPERIENCE

EduTech Mobile

Frontend & Backend Developer · Collaborative capstone

Mobile learning application designed to build computer literacy among elementary students through offline-friendly lessons, quizzes, progress tracking, and gamification. Technologies: Kotlin, Android, Jetpack Compose.

Class Ledger

Sole Developer

Grading and class-management application for student records, subject setup, grade entry, weighted grading periods, summaries, and GWA reports. Technologies: Python, database tools.

StudyMateAI

Sole Developer

Desktop study assistant featuring AI tutoring, PDF extraction, lecture-note summaries, quiz generation, study planning, and activity history. Technologies: Python, PySide6, SQLite.

Water Refilling Station Management System

Primary Developer · Collaborative project

Management system for customer records and product, order, and delivery workflows, with CRUD operations and database-backed functionality. Technologies: Laravel, PHP, MySQL.

EDUCATION

Torres Capitol College, Inc. — Bachelor of Science in Information Technology, Major in Technopreneurship · 2027

Capitol University Basic Education Department — Secondary Education · 2019–2020

Capitol University Basic Education Department — Elementary Education · 2013–2014

CORE STRENGTHS

Problem-solving · Communication · Teamwork · Time management · Critical thinking · Adaptability · Continuous learning

CAREER FOCUS

Seeking opportunities to contribute to practical software projects, collaborate with development teams, and continue growing as a software developer.
